

USING MOLLYS FIELD PLAY AREAS

In line with Government guidelines, and in keeping with good health & safety standards we recommend all play area users adhere to the following guidance. Users of this equipment do so at their own choice and risk.

- The equipment is not being cleaned. Stay safe and clean/wash hands regularly
- Please use your own hand sanitizer gel or wipes to clean your children's hands and equipment, particularly where there are clear touch points. Please do not allow children to touch their face, put their mouths on equipment or their hands in their mouth.
- Those using the play area to only have 1 family member accompanying a child at a time, with only 1 child on each piece of equipment at a time.
- Please retain 1 metre distance from other user's i.e. pushing swings.
- Please be kind to others and be aware that other children may wish to use the equipment, therefore we ask for you to spend no more than 30min in the play area at a time.
- Consumption of food and drink is not permitted on the play equipment.

LET'S HELP EACH OTHER TO STAY SAFE
